## Overview

**Kim Kerns guides clients through all phases of litigation using her extensive courtroom experience to not only achieve favorable verdicts when trial becomes necessary but also coordinate favorable outcomes through dispositive motions and settlement to provide resolutions that match a client's unique business objectives.**

An accomplished trial lawyer with more than 25 jury trials under her belt, Kim has a proven track record defending insurance companies, construction companies, municipalities, design professionals, motor carriers, and individuals in first- and third-party lawsuits involving contract disputes and tort claims. She has also successfully handled surety law matters and investigated the merits of bond claims.

Kim long held an ambition to be a trial lawyer and competed on several mock trial teams while attending Southern Methodist University's Dedman School of Law. She remains dedicated to inspiring a new generation of trial lawyers and coaches high school mock trials.
