We maintain a more detailed and deeper version of USA TODAY's database of coach and athletic executive compensation. We use this information in conjunction with a host of historic and emerging performance data to provide our clients a competitive advantage in identifying value and opportunities in the marketplace.

Athletic Directors Compensation Survey

Our Collegiate Athletics team recently published the FBS Athletic Directors' Compensation Survey listing the salaries, bonuses and other compensation of college athletic directors. [View the sortable database here.](#)

AthleticDirectorU published the survey, along with an article written by Spencer Fane attorneys Roger Denny and Bob Lattinville that includes "ten economic, competitive and demographic takeaways and a simple observation for 2016-2017 compensation of FBS Athletic Directors." You can read the article [here](#).

Other articles written by Roger and Bob and published in ADU include:
