## Spencer Fane Attorneys Serve as Guest Lecturers on Environmental Due Diligence

**MARCH 23, 2018 | NEWS**

Spencer Fane attorneys [Ryan Pulkrabek](#) and [Shelby Wood](#) recently presented at University of Missouri-Kansas City (UMKC) School of Law about the importance of environmental due diligence in real estate transactions.

As guest lecturers for the school's Real Estate Transactions class, Ryan and Shelby outlined the details of CERCLA liability, the All Appropriate Inquiry Standard, the purpose and fundamentals of site assessments, and other methods for limiting the risk of environmental liabilities.
