Spencer Fane Partner Ellen Stewart's Healthcare Law Class Featured in Law Week Colorado

FEBRUARY 23, 2017 | NEWS

In a recent article in *Law Week Colorado*, [Ellen Stewart](#) was interviewed about the Health Care Law class she's teaching at University of Denver Sturm College of Law, its first ever on the subject.

In the article, Ellen mentions that the new course focuses on "business issues such as how the system works, how private insurance works, Medicare, Medicaid... privacy laws such as HIPPA and also how our health care organization is structured."

You can access the article [here](#).

Ellen Stewart is a Partner in the Spencer Fane Health Care group. She helps health care clients successfully navigate a myriad of legal issues and regulations so they can effectively deliver patient care while still meeting their business goals.

The Spencer Fane Health Care practice group serves clients across the industry, including hospitals, hospital medical staffs, surgery centers, clinical laboratories, managed care entities, multi-specialty provider groups, single specialty provider groups, solo practice physicians and other licensed providers. Our experienced attorneys' legal guidance for health care clients spans financial issues and employment benefits to insurance and litigation, drawing together a depth of skill in such a broad range of issues to craft comprehensive solutions to complex problems that face health care entities and professionals.
